i heart Pinot Grigio ♥ fresh & crisp

♥ Formats available: 75cl & 187ml

This is a fresh, crisp, dry white with delicate citrus aromas and lemon and lime flavours, with great balance and freshness on the palate.

Serve chilled. This is a great match for grilled white fish, seafood, salads, chicken dishes, or simply enjoy on its own.

The grapes for *i heart* Pinot Grigio are sourced from mineral rich soils, providing excellent growing conditions for the production of high quality grapes, which result in crisp and fresh wines.

The vines are grown in their ideal climate with a long growing season, which ensures perfectly ripe fruit, producing really enjoyable fruit-forward styles of wine.

The grapes are harvested in the autumn months at optimum ripeness. The grapes are lightly crushed to gently release the juice, which is then fermented in stainless steel tanks at a controlled temperature for around a week, to preserve the freshness and purity of the fruit flavours. Once the wine has finished fermentation, it is filtered and prepared for bottling.

Here at *i heart* we put our passion into creating straight-talking, great tasting wines for you to simply enjoy, whatever the occasion.

This range is a collection of some of our favourite wines.
All you have to do is follow your heart and pour yourself a glass.
